To

The Principals/ TICs/OICs of the affiliated colleges of the West Bengal State University

Dear Colleagues,

First of all, I convey my regards to all of you and to the teachers of the colleges. I convey my good wishes to the non-teaching staff of the colleges also who have so kindly supported us all through.

All of us are passing through the Pandemic and during this period, conducting examinations in the interest of the students is a challenge. But only teachers can show the strength of character and rise to the occasion.

The West Bengal State University has put up the UG Part III Examination Programs.

I request all concerned for kind help and support for successful completion of the examinations.

Any program must come up with some concluding dates.

The **practical marks collection portals will remain open from September 15, 2020 to October 5, 2020.**

The **theory marks collection portals will remain open from October 3, 2020 to October 18, 2020.**

Principals are requested to get marks uploaded on the portal during these dates.

Principals are also requested to put on the College websites the E-mails where examinees can send scanned copies of their answer-papers. The college office should also remain open on the dates subsequent to the examinations so that willing students can submit their papers physically.

Results will be published at the earliest as and when marks are received.

If any college desires certain dates to be extended, the university will accommodate, but results received late will be announced by the university late. I hope that all concerned will accept this logic gracefully.

Emergency situations call for emergency actions. All of us are in a state of emergency. The interest of the students is the first and the foremost in our minds. Under the circumstances as Vice Chancellor of the University, I seek kind help and support from all concerned.

It is once again stated that **STUDENTS NOT SATISFIED WITH THE MODE OF EXAMINATIONS OR RESULTS THEREUPON MAY SIT FOR OFF-LINE EXAMINATIONS TO BE CONDUCTED BY THE UNIVERSITY AS AND WHEN THE PANDEMIC SITUATION IMPROVES.**

With warm regards,

Yours sincerely,

Basab Chaudhuri
